

General Meeting

Lauretta: We are looking forward to a great ArtFest in May 15-16 with wonderful weather.

Lyle: Lacrosse has lots of games and everything is very smooth.

Pat: Statements are available. Please remember to put the Program Name on the Deposit Slips. The Festival is working around the trailers, we cannot have inflatables or laser tag. There will be a bigger car show, fireworks, illusionists, bands on the new stage and a beer garden

Bob: The new Zumba session started yesterday and is going well. He listed the approved programs. Reisterstown Theatre Project is performing Twelfth Night 7/23-8/7.

Concert for Cancer – TJ Cook organized a Battle of the Bands that raised about \$750 ish for cancer research. There was a little confusion with the Rec office over permits and one kid with beer was stopped by the staff but otherwise it was a great success. The net was \$692 to be turned over to the Leukemia and Lymphoma Foundation.

Football – Started walk-in registration outside and generated 100 kids. There's one more day of walk-in registration.

Cheerleading – Ditto – synchronizing with football. Have 24 since online registration went up a week ago.

Girls' Softball – We are 4 weeks in and it's going great. We need to make-up 1, maybe 2 games and need an umpire. Pat will discuss it.

Ballet – Pre-K show went OK – they used a canned food drive as the ticket price. The next show (for the older students) will be soon.

Pre-K in Glyndon (in September) – fliers are in the schools; we can take 10-20 kids per class. Make sure you talk to Melody about the online registration.

Dog Park – Landscaping is done; the 2nd birthday party is 5/22, 11-2. There's a date glitch on the website – will talk to Melody. Need to add the email address to the website: barkpark@gmail.com

Gaming – Seeing about 30 people on Fridays and doing really well. Big event 6/12, all day. They're replacing the floor 5/27 so there's no gaming that day.

Karate – The glitches in the online registration are straightened out...all 4 quarters are in. There's a tournament in Montreal 5/30. Can we (Karate) award a scholarship to a graduating child? Fine. Call it a special award of recognition.

Girls' Basketball – Registration just ended; decided to not keep score in the clinics; not selling candy bars again; the inline server helps get sponsors; we have the most girls ever (175) – if this keeps up, we won't need Owings Mills. Need to get the fliers into the schools and newsletters.

Boys' Basketball – Summer budget approved. There's an Adult pickup session on Wednesdays.

Sacred Heart Soccer + Glyndon Soccer – Combined Evaluations: Girls' (~100 kids) done; Boys' (~325) almost done. The \$50 fee is for training.

Rec Council –

- The trailers are setup at Hannah More but not yet occupied – they dug up the fields and path to get to the electrical and water lines.
- There are more spaces in the Franklin Middle School parking lot near the tennis courts.
- Are the concession stands affected? No.
- 6 scholarships (out of 75 applicants) will be awarded at Franklin High School on the 28th.
- A light pole at the Regional Park caught fire in the afternoon on a weekday....Lacrosse was safely down at Hannah More.
- The Garden event for the Crisis Center is 6/12, 9-12am.
- Officers get nominated and voted on next meeting – contact Liz if interested in being on the slate.
