

## **Reisterstown Recreation Council Meeting**

12/9/2009 7pm

Hannah More Cafeteria

### **General Meeting:**

#### **Announcements**

Lyle - There will be boys' and girls' Lacrosse starting in March – registration to start soon.

Pat – Has reports for the programs; has one returned check for Boys' Basketball registration.

Remember to put down the program name on the deposit slip. Note that Glyndon Soccer had a donation from Verizon Wireless, apparently because one of their employees is involved.

Wondering who else has that kind of access? On check requests, we can use email reports instead of the forms.

Liz – Keith Levy reports more gaming on the 2<sup>nd</sup> and 3<sup>rd</sup> Wednesday of the month. Friday gaming is going well. Cheerleading starts back up in the Spring; Football is done but they have a new VP for Operations.

Bob – Challenge Soccer's Budget was approved. RTP had around 107 audience members. RTP thinks that Absolutely Murder turned a profit. Working on a permit for Oliver in the spring, with auditions early in January.

Tim - There will be a holiday party at the American Legion #116, 7-11pm, on 1/8/10. All program chairs are invited. There will NOT be Christmas tree sales this year.

#### **Reports:**

Sacred Heart Soccer plays indoors starting this weekend and goes for 4 seasons.

Girls' Basketball – Stacy Redding is taking over; they had 170 kids in the past but registration is up. There's a clinic with the High School and OMRC will have teams of 13-15 y.o.s and 9-10 y.o.s playing against us. The first games started last weekend.

Dog park – The water has been shut off; no complaints this month. They are working on getting the License plate ID put in the registration sheet and the online registration.

Zumba starts the 2<sup>nd</sup> week in January with a 10 week session.

Ballet has spring registration beginning December 15<sup>th</sup>. They are going to Disney over spring break for a workshop and hopefully a performance, for which they need to fund-raise. They are working with Zumba on a fundraiser. NOTE: details are at <http://www.reisterstownrec.com/ballet/ParentInfopage.htm>

Baseball is working on online registration.

Lacrosse is hosting a boys' clinic for 6-14 y.o.s and there will be a girls' clinic 2/13 for 8-14 y.o.s.

#### **Parks & Rec (Jacob/Steve)**

- The property next to the regional park was purchased and there will be a community input meeting to incorporate it into the Master Plan. We encourage interested people to attend.
- The Wish List should have added to it a stage flooring for the Hannah more stage?
- Renovations at Hannah More are slow because of the rains. They're working on the path to the Senior Center.
- The baseball concession stand at the middle school was broken into and an oven window was smashed. The high school concession stand was also broken into and food was stolen. They should be patched and repaired soon.
- As the shelter at Hannah More is renovated, there will be trailers on the playground parking and this will affect the pavilions. It looks like this will last 6 months and may impact the Festival and the football concession stand...Bud knows.
- The website is being updated to be more user friendly and will include a logo change. Ideas are solicited.
